ORDER DIRECTING THE PARTIES
PROVIDE THE COURT WITH A
STATUS REPORT

13 On August 3, 2011, Ralph Augustin Vega ("Vega") filed a Petition for Writ of Habeas
14 Corpus pursuant to 28 U.S.C. § 2255 ("Petition"). The Petition contends that Vega was not
15 given the full benefit of a plea agreement. The United States responded to the Petition, and
16 requested additional time to resolve the plea agreement's issues.

17 Over a year has passed since the Court has been informed by either Vega or the United
18 States as to what has occurred concerning this Petition. Given the Court's overwhelming
19 docket, the Court cannot simply keep this case open as an active action. As such, the parties
20 need to inform the Court of the status of this case and/or file appropriate documents to dismiss
21 this action because Vega's claims are now moot.

22 Accordingly, the Court ORDERS that by June 10, 2013, Vega and the United States
23 SHALL file a status report about the progress being made on the Petition's requests. In the
24 alternative, the parties may file a request to dismiss this action as moot.

25 IT IS SO ORDERED.

26 Dated: May 21, 2013
